

All Misty Harbor pontoons are available in the following colors:

**Crib Cover** - custom-fitted for each model in your choice of matching colors. Offers protection from the elements when the pontoon is not in use.

**Rear Boarding Ladder** - perfect easy access for swimmers and waterskiers. Convenient ladder folds up while under way.

**Ski Tow Bar** - is constructed from high quality stainless steel and offers a safe and convenient tow rope attachment point.

**Portable Twin Cup Holder** - features convenient cup holders and fits all bench seats and lounges. Add as many as you like.

**Hummingbird Fish Finder** - the perfect addition to any pontoon for their ability as depth finders as well as fish locators.

**Hand Sink in Console** - self-contained water system with hand pump allows for quick and easy hand clean-up. Perfect with children on board.

**Privacy Enclosure** - pop-up enclosure offers a handy changing room right on deck. Great for those quick changes for swimmers or skiers.

**Vertical Rod Rack** - eliminates the clutter. Allows for secure and convenient storage of up to six fishing rods with reels attached.
