Sporting a smaller version of the high performance hull of the Stealth 178, our Stealth 169C offers all the benefits and features of our deep-vee design in a more economical package.

Offering a 90HP rating, the Stealth 169C definitely offers stellar performance as well. Dual rod lockers and dual livewells give anglers all they could want in a fishing machine. Combined with a fully equipped console and bow trolling motor receptacle the 169C has all the electronic requirements covered
