166C 166T

Molded Consoles With Optional Full Instrumentation

36" Aerated Livewell With Divider

Built using the same high-quality materials and our commitment to construction excellence they offer the same hull and many fine features as the Trophy 166W. Designed primarily as fishing boats, both models are loaded with the features even discriminating fishermen will appreciate. The single-side console Trophy 166C offers the hands-on control that many anglers prefer, while the 166T tiller model is perfect for the fan of backtrolling.

These two affordable Trophy models are just waiting to take you fishing.
