\*Aluminum gauge bow/bottom and sides

The purpose-built Trophy 166W has all the essentials that any angler could want. Additionally, it doubles very well as an all-around family boat. With its beam at 80" and ample depth, the Trophy is a very safe boat. It's perfect for the angler chasing after big water walleyes as well as the family out for a day of boating fun. A very adequate 75HP rating assures all the power needed for tubing, skiing or running miles to the fish reefs.

The list of many standard features and options reads more likethose found on pro-level boats, but are now available on this very affordable model.
