\*Aluminum gauge bow/bottom and sides

For the value conscious fisherman, our Voyager series is the perfect choice. Their smaller size makes them perfect for slipping into smaller lakes and rivers, yet they give up nothing in fishing comfort. They offer many fine features of the Trophy Series at a very realistic price point.

Pedestal fishing seats, a rod locker, trolling motor outlet, and an aerated livewell give anglers what they need for a complete day on the water.

**Standard Features: (click here for a full list of available features & options)**

- Molded Consoles
- Lockable Rod Locker
