

Roto-Molded Seat Bases For Storage

Don't let their smaller size fool you. These diminutive little pontoons are every bit Misty Harbor through and through. Available options like a 25-quart cooler and deck-mount gate boarding ladder make these perfect for day long enjoyment on the water.

Attractive Console

They are perfect for smaller bodies of water or smaller families. In fact they are actually quite trailerable for the family that wants to take their pontoon with them.

Small and handy - makes exploring fun!
