Captains Bucket Seat

Aerated Livewell With Padded Lid

Rear 'L' Group Seating

For the value conscious fisherman, our Explorer series is the perfect choice. Two fishing positions in the bow and stern make these very convenient to fish from while comfortable rear 'L' group seating allows non-fishermen a restful area to sit.

They share many of the same features of the Explorer Cruisers but add an emphasis on fishing. Four pedestal fishing seats and an aerated livewell give the anglers what they need for a day on the water.

These affordable pontoons allow you to explore for fish!!
